San Antonio, TX | Open to relocation and remote

SUMMARY

Bilingual (English/Spanish) outbound sales professional with 5+ years in customer-facing roles and 3+ years of daily high-volume phone work, inbound and outbound, sustaining 95% call quality while consistently hitting targets. Technical enough to read the code behind the product: has shipped full-stack software and partnered directly with engineering, bringing both the phone skills and the technical fluency to sell complex products.

EXPERIENCE

- | | |
|--|---|
| Patient Success Representative (Outbound Enrollment)
<i>ResMed</i> | May 2023 – Present
<i>Remote</i> |
| <ul style="list-style-type: none">Handle 150+ calls daily, split evenly between inbound and outbound, running enrollment campaigns for HME provider partners, sustaining a 95% call quality score while consistently meeting or exceeding assigned enrollment targetsWork through objections across hundreds of daily conversations with cold and warm leads, reading hesitation and adjusting the pitch in real time to move prospects to a decisionImproved conversion of Spanish-speaking callers by ~15% by tuning an AI-powered phone system with engineering, designing Spanish-language test cases and labeling edge casesIncreased retention 25% among patients calling to stop therapy or skip a supply order by walking each one through their options for staying on treatment; a metric I define and track myself monthly | |
| Data Collection Analyst (Contract)
<i>Pro Football Focus</i> | Oct 2022 – Sep 2023
<i>Remote</i> |
| <ul style="list-style-type: none">Logged and validated thousands of NCAA plays with 98% accuracy in PFF's proprietary tools under sustained high-volume output, contributing to analytics products used by 200+ college programs | |
| Customer Service and Sales Representative
<i>Outlook Services</i> | Sep 2018 – Jun 2020
<i>San Antonio, TX</i> |
| <ul style="list-style-type: none">Consistently exceeded quarterly sales targets in a high-volume phone sales environment, securing new business through outbound prospecting while maintaining a 90% quality score | |

TECHNICAL PROJECTS

- StatSnap** | *React, Node.js, Express, MongoDB, Python, GitHub Actions*
- Built and deployed a full-stack NFL analytics app serving advanced metrics (EPA, target share, CPOE) that are normally paywalled, on a React frontend with an Express/MongoDB Atlas API
 - Engineered a Python ETL pipeline ingesting 10 seasons of data (~5,900 records), automated weekly via GitHub Actions and cached to insulate users from third-party API downtime

EDUCATION

- | | |
|--|---|
| University of Texas at San Antonio
<i>BBA, Cyber Security & Information Systems, cum laude</i> | San Antonio, TX
<i>Jan 2019 – Aug 2024</i> |
| TripleTen (Remote)
<i>Software Engineering Bootcamp (Full Stack)</i> | Remote
<i>Jul 2026</i> |

SKILLS

Sales: High-volume outbound calling, cold and warm outreach, objection handling, lead qualification, discovery, multi-touch cadences, pipeline follow-through
